Cable Management

About Us

- Established in 2015, Sharda Cable Trays Pvt Ltd has made giant strides in the field of industrial Cable Trays
- Sai Seeya Composite Pvt Ltd was established in 2018 with the vision of exclusive manufacturing of FRP Cable Trays
- Spread over 10,000 square feet area on the prime location of Pune-Satara Road
- Today, we are fully equipped with advanced machinery, functional inventory, and a team of competent employees

The Magnate behind the Diligence...

The brilliant mind behind the realm of cable trays is **‘Bhupendra Hurde’**.

After completing his education, he spent a few years in service sector. His ambition and determination towards entrepreneurship motivated him to sparkle in the cable trays industry. His knowledge, experience, and inventiveness reflect in what ‘Sharda’ and ‘Sai Seeya’ stand today.

We offer 60+ products from the following Product Range:

Perforated Cable Trays

Ladder Type Cable Trays

Cable Tray Accessories

C Channels or Z Channels

GI Junction Boxes

S. S. Cable Trays

F. R. P. Cable Trays

F. R. P. Grating

GI Threaded Rods and Fasteners

What

we

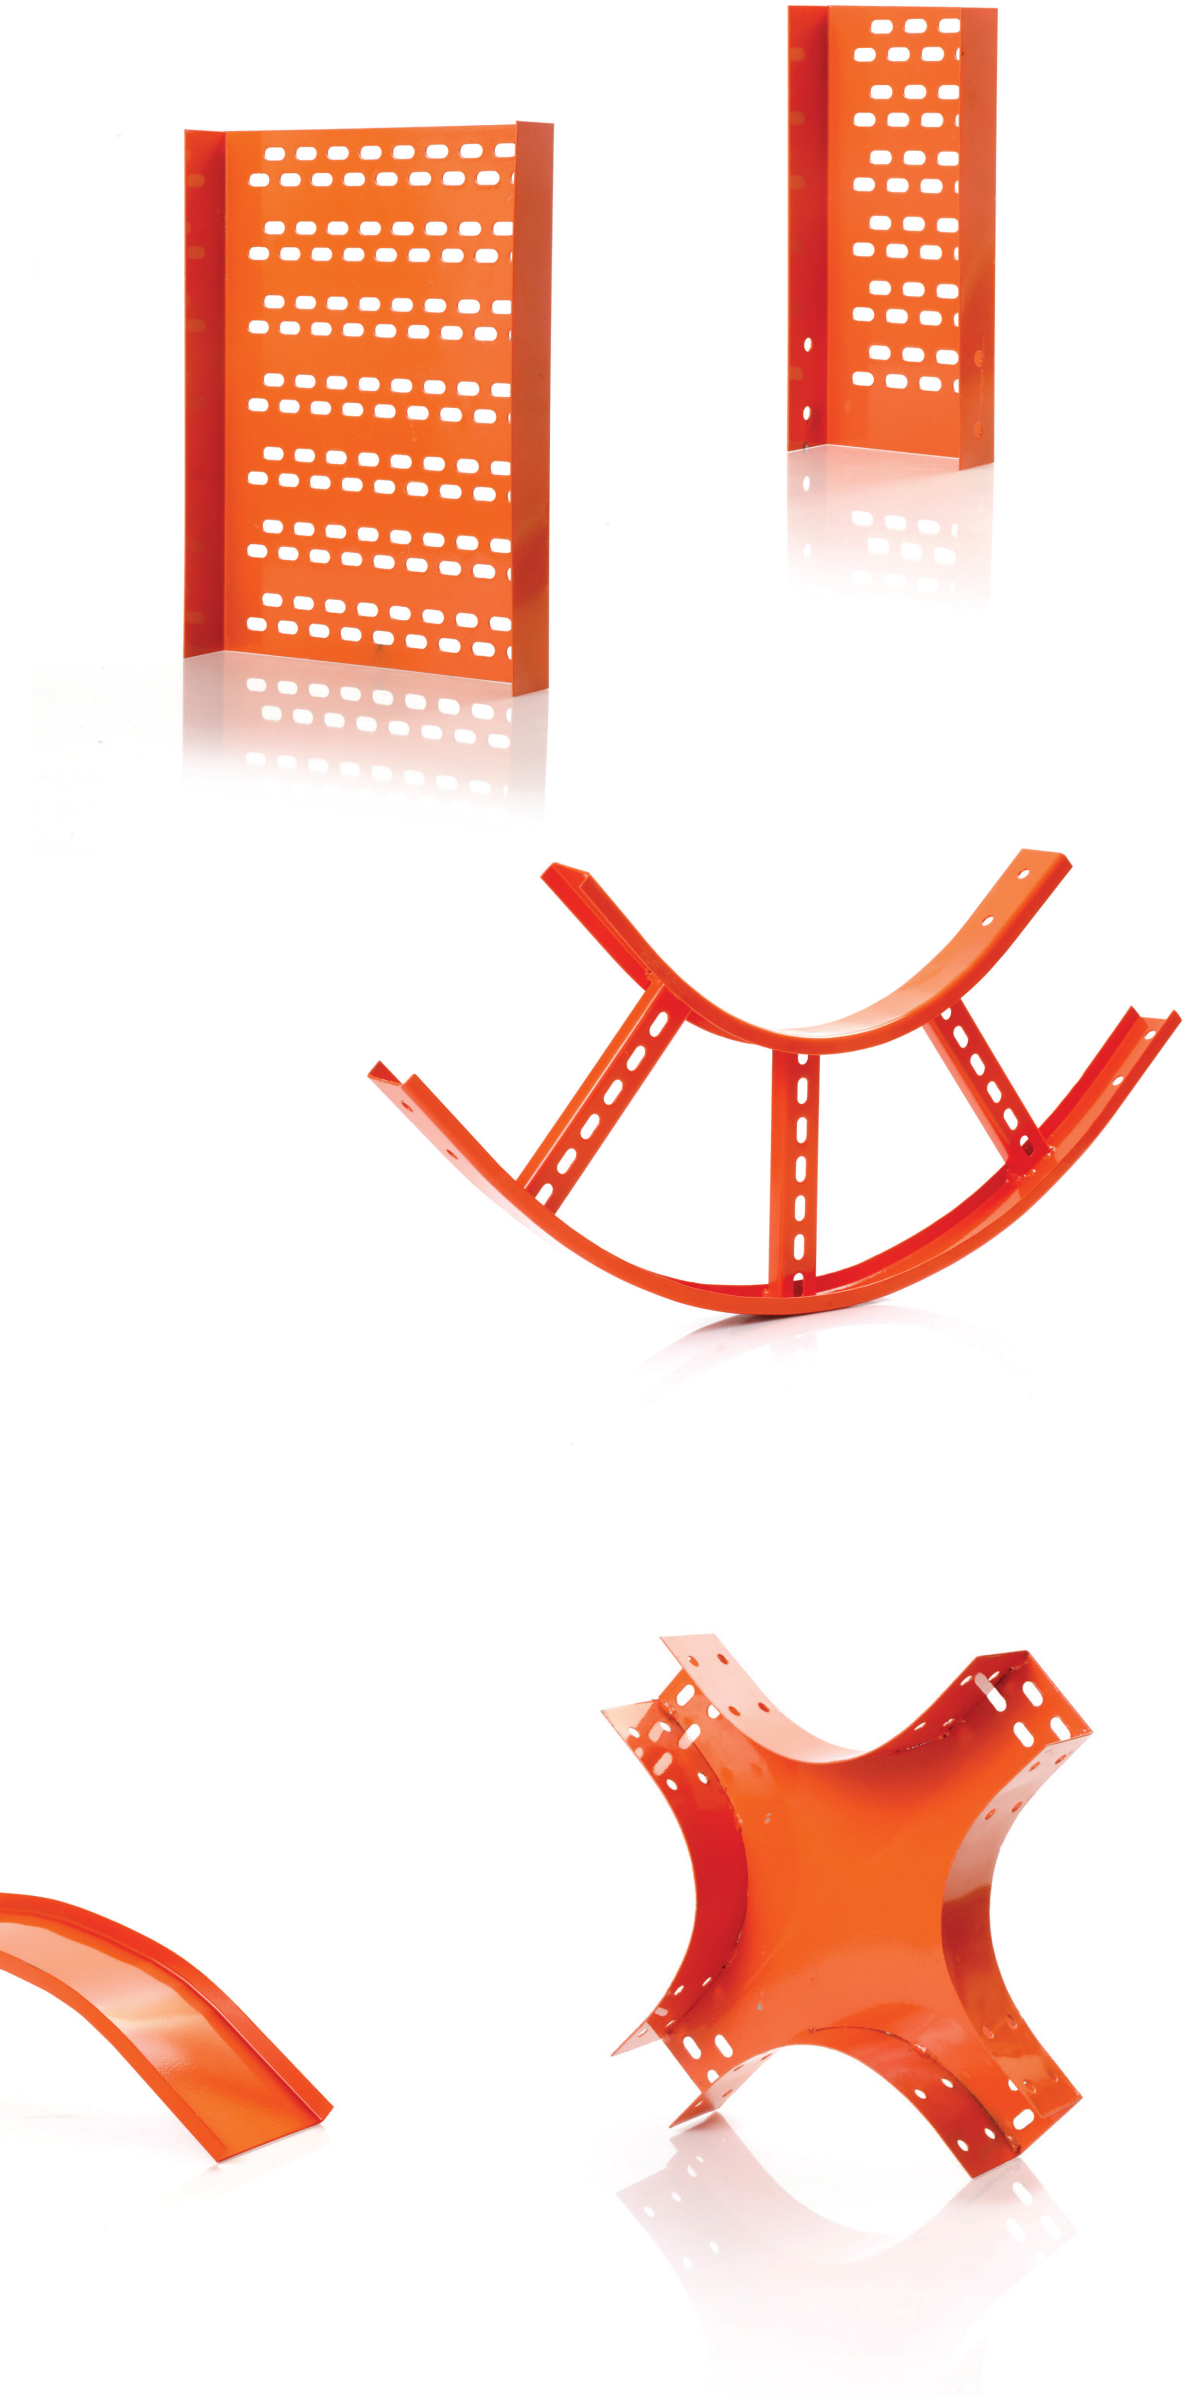

Offer?

Overview

Perforated Cable Trays can accommodate large number of branch lines and have high load-bearing capacity. They can be hung or mounted on wall. They are available with covers.

Ladder Type Cable Trays manage cables in residential or commercial complexes. They provide excellent ventilation and enhance life of cables.

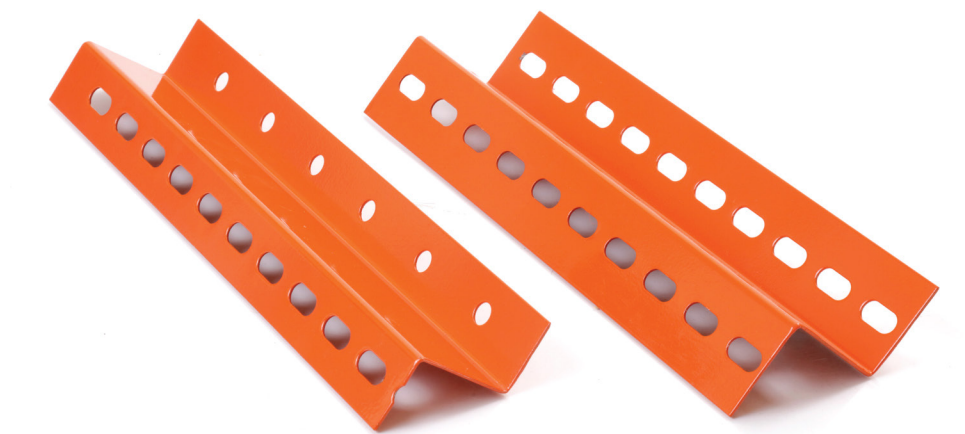

Cable Tray Ducts or Trunking are fabricated using premium quality raw material. They generally carry networking cables in IT and allied industries.

GI Threaded Rod and Fastener are utilised to hang the cable trays

C Channel and Z Channel give a path as well as support to the cable and are durable, corrosion resistant with high tensile strength

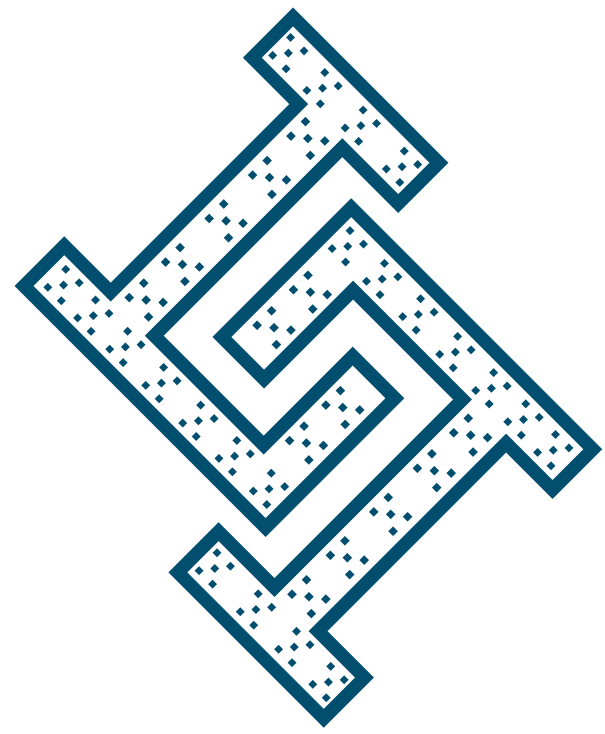

GI Junction Box are corrosion resistant with high load bearing capacity

**Customization is available in each specific category*
